

Product Information

A PRODUCT OF THE VALVOLINE COMPANY A DIVISION OF ASHLAND INC.

VALVOLINE SUPER CONCENTRATED FUEL INJECTOR plus INTAKE VALVE CLEANER

- Saves gas by keeping fuel injectors and intake valves clean from harmful deposits
- Helps improve acceleration, power and performance
- Cleans fuel injectors and intake valves
- Eliminates rough idle and hesitation caused by deposits
- Removes moisture from the fuel system

Valvoline's Super Concentrated Fuel Injector plus Intake Valve Cleaner contains special detergents to remove deposits from intake valves and fuel injectors. Power and performance can be reduced if deposits are allowed to accumulate in these vital areas. **Valvoline Super Concentrated Fuel Injector plus Intake Valve Cleaner** removes power robbing deposits to help your engine run as it was designed to run. It smoothes out rough idle, improves acceleration and reduces harmful emissions. Safe for catalytic converters and oxygen sensors. Contains no alcohol. One 12 ounce bottle treats up to 20 gallons of gasoline. Can be used with all gasoline, gasohol and E-85.

To insure good mixing, add entire contents to fuel tank prior to fill up. Twelve ounces treats up to 20 gallons. To help maintain peak performance use every 3,000 miles.
