

# Product Information

A PRODUCT OF THE VALVOLINE COMPANY A DIVISION OF ASHLAND INC.

---

## VALVOLINE PERFORMANCE SYSTEM EGR CLEANER

- Restores Power and Performance
- Removes Deposits From EGR Passages
- Designed For Both Gasoline and Diesel Engines
- Synthetic Cleaners

**Valvoline Performance System EGR Cleaner** is designed to remove hard carbon deposits from the EGR passages in both gasoline and diesel applications. The accumulation of deposits in EGR passages can cause a loss of power and performance. Powerful synthetic cleaners will break away and dissolve accumulated deposits when used as a preventive maintenance service.

When using **Valvoline Performance System EGR Cleaner** always carefully follow the instructions provided with the installation tool.

### Technical Data:

Appearance	Clear Colorless Liquid
Flash Point, F, TCC	<20
Specific Gravity	0.84
