

Product Information

A PRODUCT OF THE VALVOLINE COMPANY A DIVISION OF ASHLAND INC.

VPS STOP SQUEAL

- Eliminates brake squeal at the surface between brake pads and rotors or brake shoes and drum
- Effective on all makes and all models
- Does not damage or harm brakes

VPS Stop Squeal is applied directly to the brake pads and should be allowed to dry for 10 to 15 minutes before re-assembly. Always test brakes after re-assembly before driving.

Technical Data:

Appearance	Black Liquid
Specific Gravity	0.818 @ 60°F
Flash Point, TCC	61°F
